Hi Jim,

Sorry – we need to make the decision from our central office. Can you let me know exactly what you need so that I can get you the wording?

Thanks,

Beth

Jim,

Sorry – I somehow missed that email. Do you need a full script of what we'd like the outgoing message to say, or is it something standard and we would just insert the names "press 1 for _____, press 2 for _____" etc?

Thanks,
Beth

Hi Beth,
Cost of service is \$8.00/ month, with an installation fee of \$15.00. I also need an email explaining course of action: i.e. Press 1 to speak with _____.

Jim, did OIT give you a cost for the service?

Thanks,
Beth

Hello,
Debbie Danforth manages the ISA for the Amherst phone service. Once UMass knows the cost please let her know and she'll complete the paperwork. Thanks.

I presume so, but it might mean that we increase one of our ISAs with UMASS. I'll forward to Grace. Grace, can you help?

Thanks,
Ceci

Talked with OIT, and we will have to set a voice mail account with the University to handle redirect calls. There is a charge for the service so I think we need purchasing approval.

Thanks for the information you forwarded. I am wondering specifically about the re-direct for the 'general' phone line in 222 – we were hoping it would be possible for that line to redirect callers to one of the individual staff (as in “thank you for calling the MDPH Amherst Office, press 1 to speak to Suzanne, 2 for Marija,...etc) Steve thought we would go through you, is that correct?

Thanks,
Beth

Hi Jim,

As our staff is moving on Thursday we are anxious to get a response about the phone set up. Can you let me know if there is someone else I should approach about this?

Thanks,
Beth

Hi Jim,

We have a question regarding the Immunization Program phones at Morrill. My understanding is that there are currently 4 phone lines dedicated for IMM program staff – a general line, then a line each for Marija, Suzanne, and Helen. We were hoping to maintain all 4 lines, with the 'general' line stationed in room 222, which would redirect callers to one of the individual staff (as in "thank you for calling the MDPH Amherst Office, press 1 to speak to Suzanne, 2 for Marija,...etc) Would you be the appropriate person to set that up for us?

If not, do you know who I should contact?

Thanks in advance,
Beth

Ceci and Beth,

I just got an update on the work remaining in 224 (formerly 224A) The door is out and the wall will be complete by the end of the day. Painter is scheduled for tomorrow and floor is scheduled to be waxed on Friday. Monday the furniture will be delivered and installed. The space will be ready to schedule a move anytime after Monday. Jim Hanchett will have to coordinate the phone moves because he is the TUG rep for DPH on campus. Jim just did it for the phones in his area. Can you start looking at what days might work for you? Once you give me a few days I will contact the movers. If you have any questions please let me know.

Thanks,

Stephen
